

GET THE ICE OFF DE-ICER

MELTS FROST AND ICE FAST.

Get The Ice Off De-Icer quickly thaws ice, frost and snow on all equipment, vehicles, handrails and other critical areas where ice and snow accumulate. Sprays every time.

Non-smearing, high volume spray works fast to de-ice your windshields, locks, mirrors, handrails and other critical areas. Will not harm enamel paints, chrome, rubber, or concrete. Get The Ice off De-Icer increases your visibility and makes driving safer.

Get The Ice Off De-Icer also helps prevent ice from forming when used in advance. Use it on your handrails and critical areas before that next big freeze.

Whether you live in an area that sees ice every day for months or just once in awhile, Get The Ice Off D-Icer will melt that ice quickly so you can get done what you need to.
