

# ORANGE TAR & ASPHALT REMOVER JELL

## THICK-BODIED, NON-RUNNING CLEANER

One of the most powerful, yet most natural cleaners you can use. Made with 70% d-Limonene, it's so strong that it's capable of removing tough tar and asphalt from machinery and tools. This product is thixotropic, which means it readily clings to surfaces without running. It's the perfect product to clean vertical surfaces, such as ceilings, without wasting product or wearing extra protective clothing.

### Clings to vertical surfaces for maximum cleaning of:

- Roofing Tools
- Roofing forms
- Masonry
- Brick
- Asphalt Rollers
- Heating Pots
- Paddles Buckets
- Brooms/Shovels
- Stone
- Asphalt Spreaders
- And other Asphalt/Roofing tools

### Effective Against:

- Tar
- Pitch
- Asphalt
- Roofing Compounds

### Features & Benefits:

- Effectively removes tough soils including tar, pitch asphalt and roofing compounds.
- Clinging formula means no waste from run-off.
- Easily flushes off with hot or cold water.
- Deodorizes as it cleans.

### Directions:

Spray, mop or brush onto area to be cleaned. Allow to penetrate for 10-15 minutes, then flush away with pressure spray.

Test an inconspicuous spot before using on plastic.
