

MAX POWER ODOR DESTROYER

SMOKE ODOR ELIMINATOR

Max Power Odor Destroyer is chemically designed to eliminate smoke odors at their source. Smoke and other strong odors get trapped deep into fabrics and other textiles. Other products attempt to cover up these odors allowing the odors to resurface. Max Power Odor Destroyer is designed to penetrate the surface and attack the source to destroy it for good.

Max Power Odor Destroyer is a must to remove smoke and other strong odors. Use on carpets, upholstery, drapery, clothing, furniture, linens, auto interiors and more. Max Power Odor Destroyer is perfect for use in smoking areas, in areas where a fire has occurred, and is safe on all surfaces.

Directions:

Apply through mist-type sprayer for best results. To eliminate smoke odors from drapes, carpeting, upholstery, porous materials and other textiles, spray directly onto the surface. Always test on an inconspicuous area for color fastness before use. Use caution when using on silk products or fabrics affected by water.

Use On:

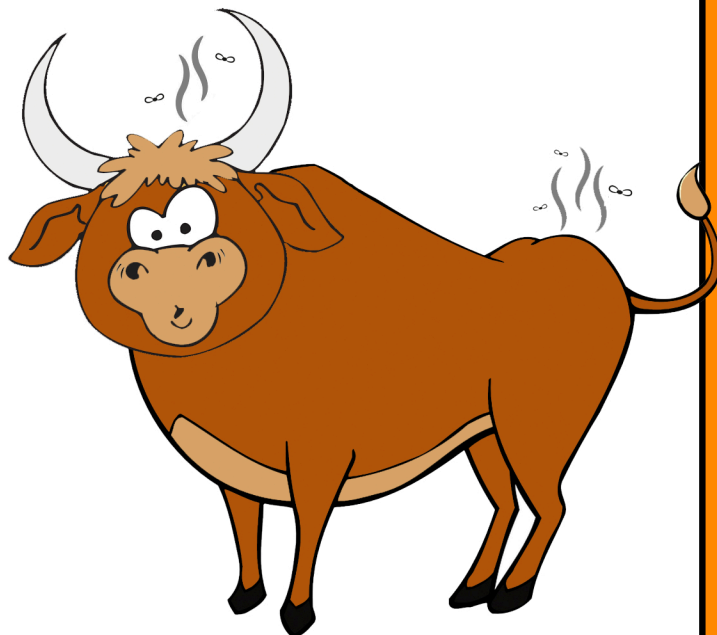

- Carpets
- Upholstery
- Draperies
- Clothing
- Furniture
- Linens
- Auto Interiors

Use In:

- Schools
- Hospitals
