

# AstroChem™

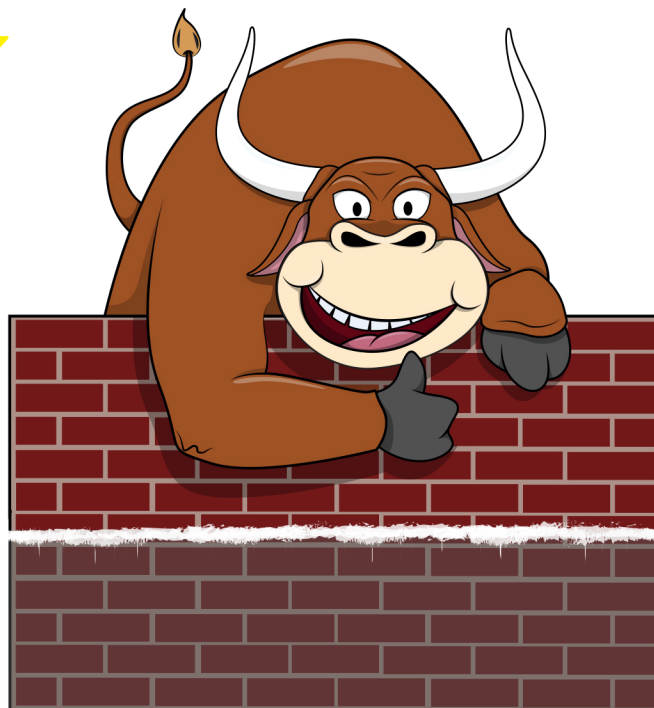

## Brick Cleaner

**100% BIODEGRADABLE & ACID-FREE**

AstroChem™ Brick Cleaner is a general purpose, acid-free brick cleaner that dissolves mortar smears and construction dirt. Leaves bricks and masonry looking clean and fresh with no acid burns or streaking.

### Features:

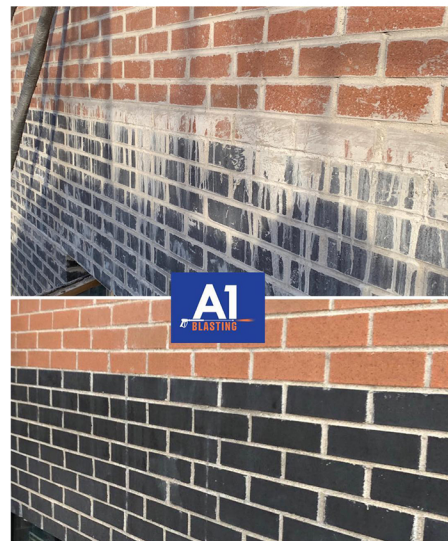

- Safer than muriatic acid for new masonry surfaces
- Removes efflorescence on bricks, new concrete and new stone construction
- Quick & easy, just spray on and rinse with cold water
- Non-Corrosive, 100% Biodegradable
- No odor
- Fast acting, works like magic

**Directions:** Simply spray on, wait 15 minutes and rinse with cold water from hose or pressure sprayer.
