

# SUPER QUICK® CONCRETE SHIELD

NON-CORROSIVE & BIODEGRADABLE

## Why Use Super Quick Concrete Shield?

Super Quick Concrete Shield is a heavy duty release agent designed to help protect and keep trucks and equipment clean and looking like new. It repels concrete, mortar, grout, road and industrial grime from your concrete trucks and equipment. It is easy to apply and very durable. Super Quick Concrete Shield also protects your trucks and equipment from rust, corrosion, and oxidation. It makes cleanup of concrete on trucks, tools and equipment easier.

It's used by concrete contractors, Redimix companies, decorative concrete contractors, equipment rental companies, masonry contractors, Shotcrete contractors and more. Super Quick Concrete Shield is your best choice to keep trucks and equipment looking good and keep your maintenance easy and simple.

- Improves appearance-
- Easier clean-up-
- Protects against rust, corrosion, and oxidation-
- Lasts for 3-6 months per application-
