

MAX POWER DRAIN UNCLOGGER

THERMO-CHEMICAL DRAIN OPENER

Max Power Drain Unclogger is an environmentally friendly granulated, thermo-chemical drain opener formulated specifically for cleaning clogged and slow flowing drains. Effective for clearing hair, soap scum, uric salts and cold water slime while not harming pipes fittings or septic systems with a pH of 12.5.

Use on sinks, bathtubs, showers, urinals, water fountains, floor drains and X-ray sinks. Safe to use in schools, hospitals, nursing homes, apartments, athletic clubs, restaurants, and hotels/motels.

Restore drains to full flow easily and safely.

Directions:

Remove as much water from the basin as possible. Slowly pour Max Power Drain Unclogger directly into the drain. Let stand 15 minutes. Flush with tap water. This product gets drain clean from sink to sewer or septic tank by dissolving grease, lint, hair, and other organic matter.
